
CHAPTER G

FAILURE TO ATTEND A MANDATORY DRIVER AWARENESS COURSE:

The driving privileges of a person who is ordered by a court to attend a Bureau of Motor Vehicle's approved driver awareness course or who is required, to attend the course because of committing, within a 12-month period, two (2) or more traffic offenses which result in convictions, will be suspended if the individual does not complete the class in the time required by the Bureau of Motor Vehicles. Failure to complete the course or pay the course fee will result in invalidation of the person's driver license.

LICENSE SUSPENSION FOR OPERATING A WATERCRAFT WHILE INTOXICATED OR OTHER WATERCRAFT OFFENSES: Operating a watercraft while intoxicated is no less dangerous and illegal than operating a motor vehicle while intoxicated. Upon a conviction for operating a watercraft while intoxicated, a person's driver license will be suspended for the same minimum and maximum periods that are provided for operating a vehicle while intoxicated. This conviction will be forwarded to the Bureau of Motor Vehicles for the suspension to go into effect and the conviction will become a part of the person's driving record. Other crimes related to the operation of a watercraft, such as reckless operation endangering the safety of others and operating a watercraft when a person's driving privileges have been suspended, will also be forwarded to the Bureau of Motor Vehicles.
